Free program supports families following divorce

The University of Queensland is offering a free 12-week parenting program designed to improve outcomes for children following divorce. The program targets separated and divorced parents who have children aged 2-14 years, who have separated or divorced within the past 24 months, and who are having difficulty managing conflict with their ex-partner, coping with feelings, or managing child behaviour problems. For details, contact Family Transitions Triple P (07 3365 7303, k.nicholls@psy.uq.edu.au).
